Federal Energy Regulatory Commission

[Project No. 3211-010]

**Power Authority of the State of New York; Notice of Reasonable Period of Time for
Water Quality Certification Application**

On March 11, 2022, the Power Authority of the State of New York submitted to the Federal Energy Regulatory Commission (Commission) evidence of its application for a Clean Water Act section 401(a)(1) water quality certification filed with New York State Department of Environmental Conservation (New York DEC), in conjunction with the above captioned project. Pursuant to section 401 of the Clean Water Act¹ and section 5.23(b) of the Commission's regulations,² a state certifying agency is deemed to have waived its certifying authority if it fails or refuses to act on a certification request within a reasonable period of time, which is one year after the date the certification request was received. Accordingly, we hereby notify New York DEC of the following:

Date that New York DEC Received the Certification Request: **March 11, 2022.**

If New York DEC fails or refuses to act on the water quality certification request on or before **March 11, 2023**, then the agency certifying authority is deemed waived pursuant to section 401(a)(1) of the Clean Water Act, 33 U.S.C. 1341(a)(1).

Dated: April 7, 2022.

Kimberly D. Bose,
Secretary.
